Anniversary ..
ENJOY!!

TLC UPDATE: Pam Ost, Director

March is a true mixture of winter and spring with snow storms and warm temperatures; shamrocks and Easter eggs. Some days we need snowpants, hats and mittens and others we need boots for the sunny mud. The children ask us why we have both Leprechauns and Easter bunnies displayed. And then we have a visit from The Cat in the Hat. So many fun and exciting days and celebrations. We take many pictures of our days at TLC with all of our smiles and activities that we post on Facebook for our parents, friends and followers. TLC will be doing a Coffee Fundraiser working with Jumpy Monkey Roasting Co. Charles City graduate Gabby Weber is the our consultant with the company. TLC will have it's own labeled blend the "Building Block Blend". Information will be coming Soon!!
