

## **VOLUNTEER at TLC**

- **VIP Readers** – Every Tuesday at 9:30 volunteers come in to read to the 2, 3 and 4 year olds. Bring your own book or read one from the Room libraries.
- **Room Support** – Volunteers can be assigned to a particular age group room to assist and support staff in the day to day schedule of activities. (Volunteers must pass a background check)
- **Handyman Support** – TLC has painting and deep cleaning opportunities. Volunteers interested in helping with upkeep tasks inside the Center are always welcome.
- **Playground Support** – TLC is doing a spring cleanup and spruce up on the playground. We will be painting above the sandbox area. We want to dismantle and move the wood framed stage at the end of the playground area to rebuild as an outside block area for the children. We have play vehicles and equipment that need to be put together for the spring and summer. We have chalkboard flowers and animals to be affixed to the playground fence. We have a tree bench that needs assembled. There is always opportunity to volunteer to make and keep the playground an inviting and safe place for the children of TLC.

Volunteers just need to call TLC at 228-4525 to become an active support to our Community Child Care Center.
